

Recognizing Your Future Generosity and Legacy

Many donors have generously included our Foundation, hospital or hospice in their will or another gift option that comes to us in the future. We are truly thankful for these future gifts and would like to thank and recognize those individuals for their gift commitment now. All future gifts qualify for inclusion and recognition as a member of the **Legacy Partners**.

Legacy Partners recognizes future gifts in support of our Foundation’s mission to enhance philanthropic activities to help ensure the UnityPoint Health – Grinnell Regional Medical Center’s mission of improving the health of the people and communities served. Donors may specify whether their gift funds a specific need or general fund. The Foundation’s Board of Directors applies general funds to support hospital programs most in need. Gifts of all sizes are appreciated and make an impact in our local communities. **One hundred percent of every dollar donated to Grinnell Regional Medical Center Foundation will stay local.** We are grateful for your future support for health care in our community.

Becoming a member of **Legacy Partners** is easy. All that is requested is either a written or verbal confirmation that you have made a future gift through your will or other future gift option. Notifying us of your future gift allows us to express our continuous appreciation for your intended gift, and it allows your future gift intention to serve as encouragement to others.

Gift Confirmation: To ensure your future gift is designated and properly recognized, please list the intended area of designation below:

Recognition (please check one):

Yes, please include me/us as a member of the **Legacy Partners**. My/our name(s) should be listed as follows for public recognition:

Yes, please include me/us as a member of the **Legacy Partners**, but I respectfully request no public recognition for me/us. This gift is to be listed as anonymous.
